### Classic steel design

The epoxy coated steel frames are available in four different colours so interiors merge with drawers to create a harmonious entity.

Silk white matt

Indium grey matt

Orion grey matt

Carbon black matt

Bardolino oak

Nebraska oak

Tennessee walnut

### Elegant wood design

The frames are a combination of steel and wood décors. There are three luxurious options to choose from, allowing you to introduce contrasts to furniture interiors.

# Practical function – versatile in application

AMBIA-LINE gives you the freedom to tailor interiors to your requirements and to every type of storage item. The frames have been designed for immediate use. They fit into every drawer and are suitable for all living areas.

## Elegant design

The minimalist design of AMBIA-LINE goes perfectly with the clean lines of LEGRABOX and MERIVOBX.

## Tailored to contents

The flexible cross dividers can be easily adjusted to the contents.

## Easy handling

The frames can be positioned wherever required. A magnet for attachment to the back and anti-slip feet provide a secure hold.

A modern kitchen scene with a woman sitting on a stool at a kitchen island and a man cooking in the background. The kitchen features a long, light-colored wooden island with a white countertop. A woman with blonde hair, wearing a white top and grey pants, is sitting on a black stool, looking towards the man. The man, wearing a striped shirt and blue pants, is standing at the end of the island, smiling and cooking. The kitchen has a herringbone wood floor, a dining table with chairs, and large windows. The lighting is warm and natural, with sunlight streaming in from the windows.
