ID20005 ◀

for small stay lifts

- Ideal for small cabinets, e.g. above the refrigerator or SPACE TOWER larder unit (good access)
- Easy opening, variable stop and silent and effortless closing thanks to the integrated BLUMOTION dampening
- Harmonious gap design thanks to convenient 3-dimensional front adjustment
- Fast assembly and removal of the front using CLIP technology
- Suitable for combination with TIP-ON for handle-less fronts

Product overview

Blum AVENTOS HK-S for small stay lifts. Stay lift fitting specially for small wall cabinets with a minimum internal cabinet depth of 163 mm. For wooden fronts, wide and narrow aluminium frames. Symmetrical lift mechanism with spring package. Lift system can be stopped in any position using variable lift mechanism strength adjustment. Convenient lift mechanism adjustment from the front. Integrated closing dampening. Simple, tool-free fast installation of the front using clip-on assembly method. Lift mechanism can be attached to the cabinet side before assembly. No parts projecting beyond the cabinet side. No hinges required. Can be combined with the mechanical opening support system TIP-ON. For cabinet heights from 180 mm to 600 mm. For cabinet widths up to 1,800 mm. 3-dimensional front adjustment: Height ± 2 mm, Side ± 2 mm, Depth ± 2 mm.

Straightforward, minimalist cover cap made of nylon in light grey, silk white or dark grey

- a) silk white
- b) light grey
