

Customised product and marketing information

The ideal addition to your marketing activities

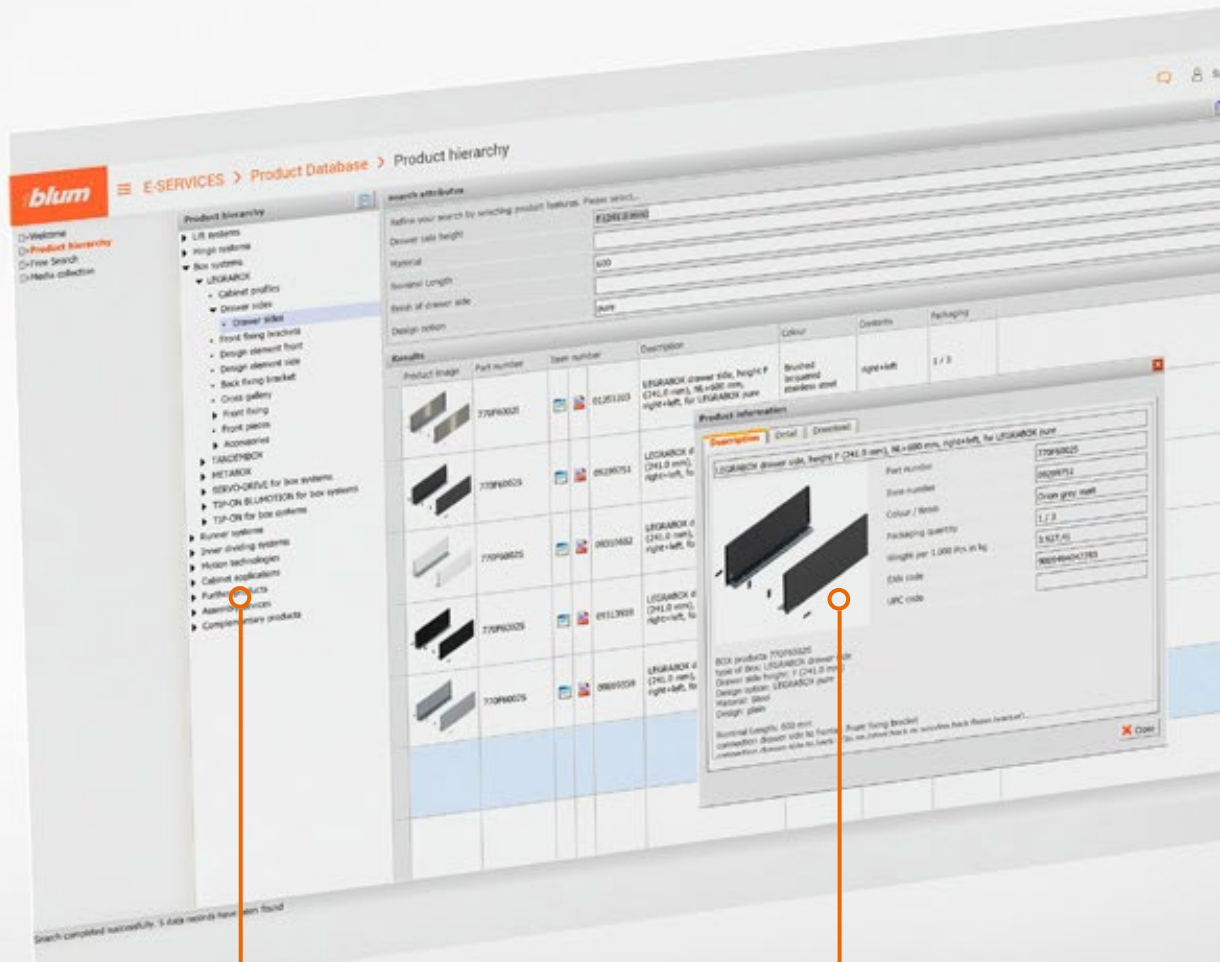

www.blum.com

 **blum**[®]

Exactly what you need for effective communication

We provide professionally prepared, tailored marketing content for all channels (including newsletters, social media posts, websites and landing pages) for your campaigns or flyers. Use this content to create your own marketing materials and integrate it into your marketing activities.

Feature-based search

Find fittings based on their technical features.

Product information

Detailed descriptions of individual products can be viewed and downloaded. These include technical features, product images, planning and assembly drawings, and CAD data.

Marketing Media Library

In our Marketing Media Library, you can access professional content that you can use for your own marketing assets – free of charge and available 24/7. Download high-resolution images, videos or brochures and promote your products with attractive marketing materials.

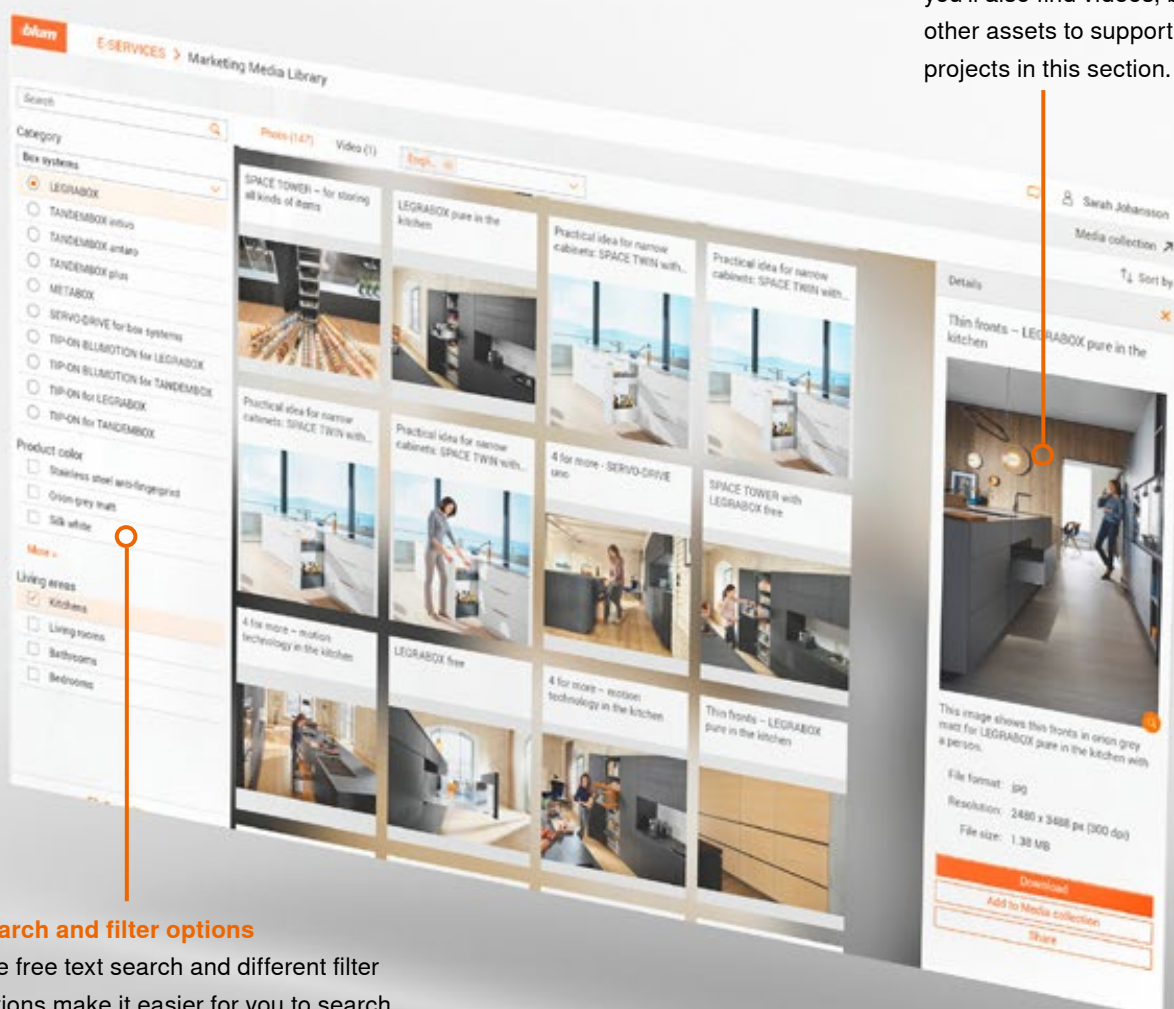

Product database

Discover our extensive product range and learn about the many possibilities our products offer and how they can help you expand your own range. All the relevant information is available in our product database.

Diverse range of media

Alongside brand and lifestyle images, you'll also find videos, brochures and other assets to support your marketing projects in this section.

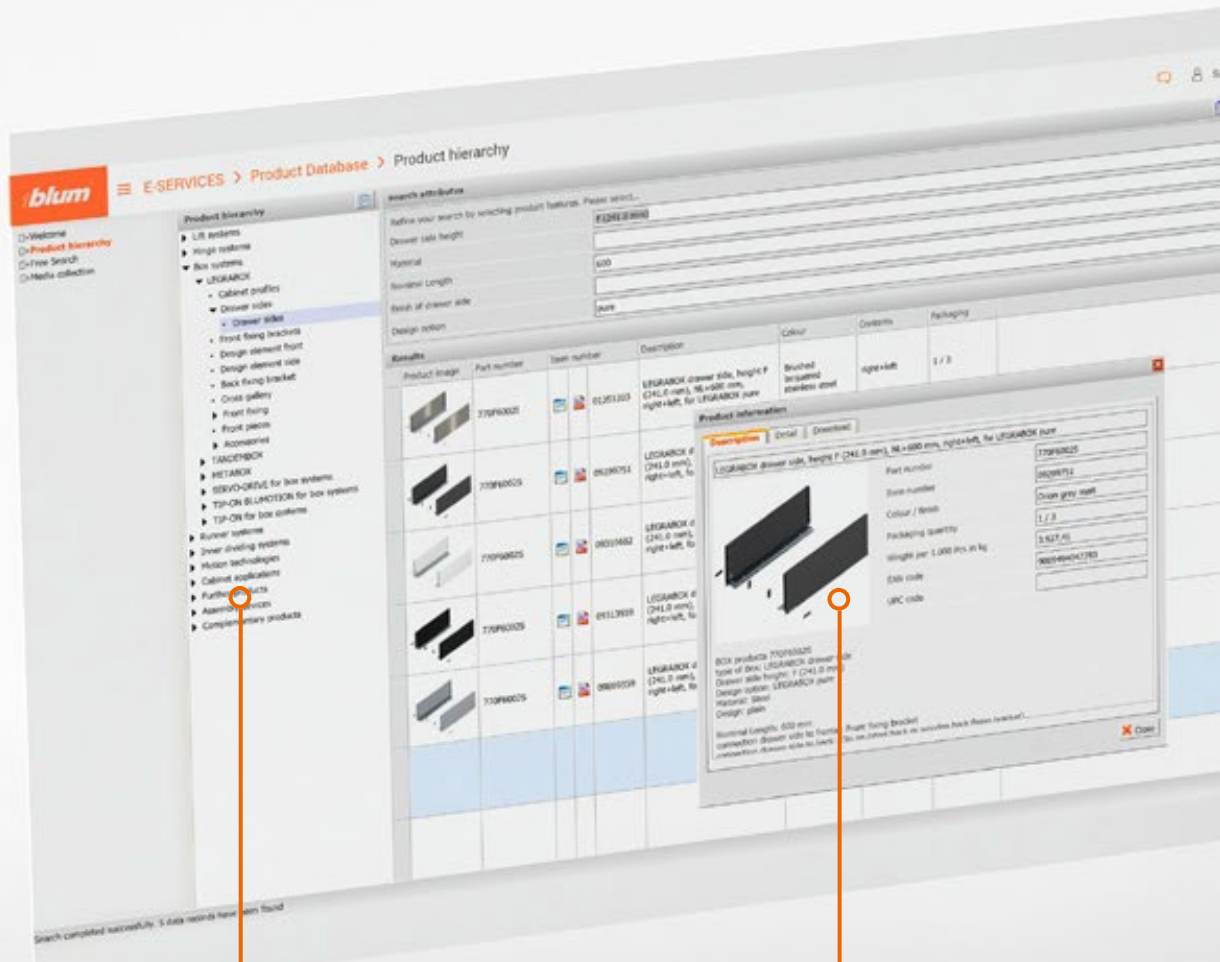

Search and filter options

The free text search and different filter options make it easier for you to search for the desired media file. You can now also filter by colour, living area and content in your desired language.
